

# NATIONAL BOARD OF EXAMINATIONS IN MEDICAL SCIENCES NEW DELHI

Dated: 23.09.2021

## NOTICE

\*\*\*\*

### **Subject: Regarding advisory for Final Year DNB trainees in view of ongoing COVID-19 pandemic**

1. Vide NBEMS notice dated 10.08.2021, NBEMS accredited institutions have been advised that:
  - If the institutions want the services of DNB Final Year trainees to continue beyond their mandatory 3 months of extension, they shall be required to re-designate such DNB Final Examination qualified trainees as Senior Resident/ Registrar/ Junior Consultant/ Tutor etc., whichever may be appropriate for the institution concerned, for the period of extension of training which is beyond their scheduled date of training completion and three month of mandatory extension.
  - The NBEMS accredited institutions are at liberty to pay the emoluments for the re-designated period of extension over and above the minimum stipend prescribed for DNB trainees as per NBEMS guidelines.
  - If the institutions do not want the services of DNB Final Year trainees beyond completion of their scheduled training and mandatory 3 months of extension, they are at liberty to release the trainees with all their original documents including the Final Training Completion Certificates with intimation to NBEMS about the same.
2. It has been brought to the notice of NBEMS that some institutions are not releasing the Final Training Completion Certificates (TCC) of trainees even though the trainees have completed their DNB training including the mandatory 3 months of extension. NBEMS has taken a serious view of this lapse.
3. It is clarified that even in the cases where the institutions want the services of DNB Final Year trainees to continue beyond their mandatory 3 months of extension, the institutions are mandated to release their Final TCC to enable their DNB Final Practical results to be declared. Such qualified successful trainees can then be allowed to continue with appropriate re-designation.
4. In no circumstances are the institutions at the liberty to withhold the Final TCC of the trainees who have completed their prescribed training with mandatory 3 months of extension.
