DEEMED TO BE

**UNIVERSITY  
NAVI MUMBAI**

**4 DAYS ACROSS 72 ACRES**

**70+ INTERNATIONAL SPEAKERS**

**400+ NATIONAL SPEAKERS**

**30+ MEDICAL SPECIALTIES**

**MEDINSPIRE is an international multidisciplinary medical summit** to be hosted on 14<sup>th</sup> - 17<sup>th</sup> February 2019, to understand the dynamic field of medicine and its convergent, rapidly developing technologies and ideologies and their potential in advancing healthcare. It is a platform for medical professionals across the globe to assimilate diverse concepts through a blanket-approach summit that can potentially transform the healthcare landscape globally.

MEDINSPIRE seeks to stimulate an exchange of knowledge between top international and national speakers and global stalwarts whilst providing evidence-based learning through a variety of methods like simulation workshops at Asia's first simulation-based medical training facility and hands-on training workshops.

MEDINSPIRE's distinguishing factor lies in its multidisciplinary nature, its vast variety of learning opportunities under proficient guidance and the one-of-a-kind expansive medical industry interaction spread.

## MEDICAL SPECIALITIES

<http://medinspire.in/speciality-wise-cmes/>

D Y Patil University is a unique combination of education, healthcare and sports under one roof which comes alive at MEDINSPIRE, as these on-campus facilities strengthen our endeavour of uniting India's medical fraternity through a single event in one venue. The medical simulation lab will host several hands-on workshops across specialties for students and professionals; the sports stadium will transform into one of India's largest experiential medical exhibitions while the hospital and colleges, house the conference, panels and talks by industry stalwarts. The 72-acre D Y Patil University campus will turn into a beautiful canvas where we aspire to paint a brighter future for healthcare in India.
