

NATIONAL BOARD OF EXAMINATIONS IN MEDICAL SCIENCES NEW DELHI

Dated: 12.07.2021

NOTICE

Subject: Launching of eDoctorLogbook for DNB/DrNB/FNB trainees and their guide

1. National Board of Examinations in Medical Sciences (NBEMS) is pleased to inform all its stakeholders regarding the launch of eDoctorLog application for benefit of **DNB/DrNB/FNB trainees and their Guides**. The eDoctorLog application has been specifically developed to help the DNB/DrNB/FNB trainees to maintain their case logbook digitally in an easy and efficient manner.
2. eDoctorLog application can be used to keep a real-time record of all the clinical cases/procedures observed/assisted/performed by the trainees including their thesis cases. It will help the Guides/Faculty to keep a real-time record of the progress of their trainees
3. The eDoctorLog application can be accessed from computer/tablet as well as mobile phone. There is no need to download any new application for the same.
4. Individual email has been sent to all the ongoing DNB/DrNB/FNB trainees and their Guides describing the step by step use of the eDoctorLog application.

All the DNB/DrNB/FNB trainees and Guides are encouraged to use this application.
