Dated: 17.08.2021

NOTICE

Subject: eDoctorLogbook DNB/DrNB/FNB trainees and their guide regarding

1. National Board of Examinations in Medical Sciences [NBEMS] has successfully launched eDoctorLog application for benefit of DNB/ DrNB /FNB Trainees and their guides. The eDoctorLogbook application has been specially developed to help the DNB/ DrNB /FNB Trainees to maintain their case logbook digitally in an easy and efficient manner.
2. eDoctorLog application has been used to keep a real-time record of all the clinical cases/procedures observed/assisted/performed by the trainees including their thesis cases. It will help the Guides/Faculty to keep a real-time record of the progress of their trainees.
3. The eDoctorLog application can be accessed from computer/tablet as well as mobile phone. Trainees /guides/faculty can access the eDoctorLogbook by going to www.natboard.edu.in/edoctoerlog
4. A video has been prepared to help and guide the trainees on how to use the eDoctorLog application. Click the link below to access the video. https://youtu.be/gRUcDYnG_ps
5. Individual emails to the trainees and their guides were sent earlier and will be sent again in due course.
6. For any queries related to the edoctoerlog application please feel free to email at doctorlog@natboard.edu.in

All the DNB/DrNB/FNB trainees and Guides are encouraged to use this application.
