

# NATIONAL BOARD OF EXAMINATIONS

Dated:25<sup>th</sup> April 2019

## NOTICE

### **Subject: Admission session for DNB Broad specialty (post MBBS) Courses**

1. NBE has been maintaining two academic sessions for admission to DNB Broad Specialty (post MBBS) courses - January & July.
2. The admission for DNB Broad specialty courses for January admission session is carried out by utilizing the merit list of NEET-PG. NBE has been conducting a separate DNB CET in June / July every year for admission to July academic session.
3. It has been decided that from 2019 onwards, there shall only be a single admission session for DNB Broad Specialty courses i.e. January admission session. The allotment of DNB Broad Specialty Courses to candidates for January admission session shall be done through merit-based counseling utilizing the merit list of the corresponding NEET-PG.
4. The July admission session for DNB Broad Specialty courses has been done away with. Accordingly, NBE shall not be conducting DNB CET in June/July from 2019.
5. Candidates participating in counseling for admission to PG Medical courses for 2019 academic session are requested to make a note of the above.
