

NATIONAL BOARD OF EXAMINATIONS IN MEDICAL SCIENCES NEW DELHI

Dated:19.04.2022

NOTICE

Subject: Selective Edit Window for NEET-MDS 2022

1. Some of the applicants for NEET-MDS 2022 have failed to upload the images (uploaded photograph, photograph captured through webcam, signature and/or thumb impression) in their application forms as per image upload guidelines. They have also failed to rectify such incorrect images despite being given opportunities through final edit window as well as through individual emails sent at their registered email IDs.
2. All such candidates are being informed once again through emails to rectify the incorrect images in their application forms. **They shall be able to rectify the incorrect images in their application form during a selective edit window starting from 20.04.2022 (10AM onwards) till 22.04.2022 (till 11:55 PM).**
3. Such candidates are required to edit the incorrect images in application from through applicant login at NEET-MDS 2022 index page on NBEMS website <https://nbe.edu.in>
4. No further opportunity shall be given to the candidates to rectify the incorrect images. Admit cards may not be issued to candidates who fail to rectify the incorrect images in their application form.
